NARRATIVE:

Joel Jones is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include use/under influence of controlled substances, possession of a deadly weapon to commit assault, exhibiting a deadly weapon, battery, vehicle theft, grand theft, possession of controlled substances, manufacture/possession of dangerous weapons, vehicle tampering, vehicle hit and run, violation of court order to prevent domestic violence, and assault. He has served multiple state prison terms, the longest being a 3 year term for manufacture/possession of dangerous weapons. Jones was released from state prison to the supervision of the Los Angeles County Probation Department on May 28, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2015 after he absconded from post release community supervision (PRCS). Jones qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vehicle theft is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
